

ADVOCARE ANNOUNCES THE JOINING OF ITS NEWEST PRACTICE:

January 27, 2011

(Marlton, NJ) - Advocare, one of the largest independent, multi-specialty physician groups in New Jersey and the greater Philadelphia region, announced today that its newest specialty care practice - Allergy & Asthma on Main Street in Marlton, NJ will join Advocare on February 1, 2011.

Under its new name, Advocare Allergy & Asthma will continue to provide the same high quality care for pediatric and adult patients with allergic, asthmatic and clinical immunological disorders including allergic rhinitis (nasal and eye allergies), asthma, urticaria (hives), angioedema (swelling), anaphylaxis, atopic dermatitis (eczema), drug allergy, food allergy, stinging insect allergy (bee sting allergy), exercise induced asthma, and immunological conditions (immunodeficiency).

All board certified, the practice's physicians include Eugene A. Gatti, MD, Gregory R. Toci, DO, and Patrick M. Vannelli, MD. The practice specializes in treating Adult and Pediatric Allergy, Asthma, Clinical Immunology, and Associated Pulmonary Diseases.

Advocare serves over 300,000 patients and its communities with high quality, personal care and a commitment to promoting best practices for optimal health and wellness. Appointments for all sites can be made by calling (856) 988-0570
