BUSINESS EVENT: Advocare facility gets new location

March 11, 2009

Advocare, one of the leading physician-owned wholly integrated primary care health care practices in the country, announced the relocation of its existing West Deptford Pediatrics practice in Wenonah. The facility opened Monday at 646 Kings Highway in West Deptford.

Seven doctors and three nurse practitioners will continue to provide comprehensive medical care at the new location for children from infancy through adolescence, in the areas of general pediatrics, developmental pediatrics and urgent care medicine.
