**Local physicians pick their favorites in 21 specialties.**

By Tara Behan, Shannon Hallamyer and Emily Riley

With help from the area's health systems, scores of doctors throughout Chester, Delaware and Montgomery counties took part in our annual poll. So how does this year's list differ from all the rest? Well, for one, **we've added eight new categories**, giving several specialties long-overdue recognition. Hats off to all the winners—especially the 21 **"best of the best"** profiled below.
