

# NEWSROOM UPDATE

**Marlton, NJ — November 2, 2020** — [Advocare](#), a physician-owned multi-specialty medical group with nearly 600 providers, continues to expand to serve its patients by welcoming a new Care Center practice: Advocare The Allergy and Clinical Immunology Center.

Based in Marlton, NJ, Advocare The Allergy and Clinical Immunology Center is owned by Jin P. Guo, MD. Dr. Guo was trained in the Division of Allergy and Clinical Immunology at The Johns Hopkins University School of Medicine in Baltimore, Maryland. She treats a wide range of allergy and respiratory conditions, including rhinitis, sinusitis, asthma, pediatric asthma and allergy, latex allergy, venom sensitivity, and atopic dermatitis. She also treats antibiotic reactions, food allergies, autoimmune disorders and non-AIDs-related immune disorders.

Dr. Guo is the Clinical Assistant Professor of Medicine at Rowan University. She is a member of the American Academy of Allergy, Asthma and Immunology (AAAAI), the American College of Allergy, Asthma & Immunology (ACAAI) and the American College of Physicians (ACP). With an extensive research background, she brings a unique perspective on state-of-the-art therapies.

Dr. Guo has authored more than two dozen peer-reviewed publications and reviews. She lectures frequently on topics including clinical practice and research aspects of allergic disease. Throughout the years, Dr. Guo was recognized repeatedly by patients, readers and professional colleagues as a Top Physician in *SJ Magazine*, *South Jersey Magazine*, and Consumers' Research Council of America.

"We are excited to welcome Advocare The Allergy and Clinical Immunology Center into our growing organization," said Howard Orel, MD, Advocare's President and Chief Executive Officer and a practicing physician. "We continue to expand and diversify by offering a very broad range of specialties to benefit our patients."

Mahbod Mohazzebi, MD, Advocare's Secretary, Chairperson of its Market Development Committee and a practicing physician, noted, "Expanding our base of specialists will continue to strengthen the Advocare brand by delivering patient-centered care in collaboration with our comprehensive network of providers. Our goal is that an Advocare patient considers all of the services we have to offer, so we strive to grow our provider reach both clinically and geographically."
