Advocare Welcomes Panorama Medical

Marlton, NJ — May 1, 2021 — [Advocare](#), a physician-owned multi-specialty medical group with over 600 providers, continues to expand to provide the highest quality care to its patients by welcoming a new Care Center practice: **Advocare Panorama Medical**.

Samir Khalil, MD, manages Advocare Panorama Medical, which is based in Clifton, NJ. Dr. Khalil is a Board-Certified physician in Family Medicine and Obesity Medicine. Upon graduating in both medical fields, he developed a strong interest in Preventive Care, which prompted him to pursue further training in Metabolic Medicine.

Advocare Panorama Medical's patient-centered functional medicine approach aims to target the root cause of disease, rather than the symptoms. By assessing factors such as diet/nutritional deficiencies, exercise, stress, and microbiome, the Care Center creates a healthcare plan that involves short-term medicine, lifestyle and behavioral changes to treat the root cause of illness and ultimately reduce chronic medication use.

"We are delighted to welcome Advocare Panorama Medical into our growing organization," said Howard Orel, MD, Advocare's President and Chief Executive Officer and a practicing physician. "We continue to expand our family medicine Care Center base and serve our patients by offering the highest quality, most compassionate care across a very broad range of specialties."
